

2009 Honda Fit

Monday, 25 May 2009

I'm sure everyone should be aware by now that Honda has changed the entire outlook for their 2009 Fit/Jazz into something rather aggressive. The car now features a sharper outlook, kind of resembles a sports car cum MPV design which I think look rather magnificent if you strap on a good body kit.

Here are some photos of the 2009 Honda Fit/Jazz.
