

2010 Jaguar XFR

Friday, 29 May 2009

The upcoming 2010 Jaguar XFR, certainly is a huge wow factor. Jaguars has a long history of making comfortable and iconic cars and the 2010 Jaguar XFR certainly offers both comfort and performances as the car is powered by a V8 engine. Furthermore, Jaguar has another higher performance model, dubbed as the XKR. These cars's V8 engine can give you a total of 510 horsepower.

Here are some snapshots of the 2010 Jaguar XFR.
