

2010 Subaru Legacy

Monday, 01 June 2009

For fans of the Subaru Legacy, you should be glad to know that the fifth generation of the 2010 Subaru Legacy is already in production at their plant in Lafayette, Indiana. The 2010 Subaru Legacy features something of a controversial bodywork which some critics say that resembles pretty much like the Honda Accord.

Still, I think that Subaru did a very good job designing their latest 2010 Subaru Legacy.

Take a look at some snapshots of the 2010 Subaru Legacy.
